Pharmacokinetics of Ranibizumab in Patients with Neovascular Age-Related Macular Degeneration – A Population Approach

Lu Xu, Tong Lu, Lisa Tuomi, Nelson Jumbe, Jianfeng Lu, Steve Eppler, Peter Kuebler, Lisa A. Damico-Beyer, Amita Joshi

Genentech, Inc., South San Francisco, California
**Figure S1.** Final model diagnostic plots: (A) Population prediction from NONMEM analysis (PRED) versus dependent variable (DV); (B) Individual prediction from nonlinear mixed-effect model analysis (IPRED) versus DV; (C) Conditional weighted residuals for population prediction in NONMEM analysis (CWRES) versus PRED; and (D) CWRES versus TIME.
